

# *It is the season*

## *Mission.*

To provide fellowship and educational resources for Christian professional financial consultants seeking to integrate Bible-based principles into their financial consulting practices.

## *Vision.*

Members join together with a common commitment to operate their practices Biblically, to share marketing ideas and materials, to maintain the highest possible level of integrity in their personal and professional lives and to counsel their clients on the full range of Biblical stewardship. Members will be guided to come to an understanding that their "practices" are not their jobs but rather the ministry in which the Lord has chosen to place them.

## *Purify your harvest*

As you know, God's Word contains the complete guideline for every aspect of our lives. His greatest admonition, by far, concerns how we handle the money and property that he entrusts to us. God's people tend to obtain most of their financial education from the world, and the world's methods are nearly always the antithesis of God's methods. Is it any wonder that so many Christians are financially unfulfilled?

Our goal, as members of the *NACFC*, is to fill this void as we counsel our clients utilizing Biblical principles in the handling of money and property, i.e., Christian Stewardship. We are not only stewards of the money with which our Lord has entrusted to us, but, as Christian financial consultants, we are also indirectly responsible for the assets He has entrusted to our clients. As such, it is our responsibility to exercise the utmost fiduciary care over the way we counsel our clients as to how they spend, borrow, invest, insure, give and ultimately distribute those assets.

We, as members of the *NACFC*, have a common commitment to guide our clients in the elimination of *tares* from their *seed* and handle their current and future assets with a focus on their ultimate eternal harvest.

*A man who has riches without understanding is like the beasts that perish.* Psalm 49:20

Members of the National Association of Christian Financial Consultants (*NACFC*) are professionals associated through a personal relationship with our Lord Jesus Christ, and are committed to both investing and financial planning disciplines centered upon Biblical principles.

As Christian Financial Planners, God has given us seasons for work and rest, planting and harvesting. There is, however, a divine order to this process. Before reaping a harvest, you must plant; before planting, you must plow. In other words, you must prepare both yourself and your soil before you can expect a bountiful harvest.

We encourage you to join the *NACFC*, where members help their clients put their trust in the One who provides them the increase, thus, helping them to invest and give with integrity, while growing in faith.

*Seek first his kingdom and his righteousness, and all these things will be given to you as well.* Matthew 6:33

*Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is his good, pleasing and perfect will.* Romans 12:1-2
